EXPERIENCE

enARTifi | Business Development Intern

Mar 2025 – May 2025 | Lahore, Pakistan

- Assisted in business development for AR/VR solutions by identifying client requirements and preparing proposals.
- Collaborated with technical teams to present innovative software solutions to potential clients.
- Supported project planning, documentation, and client communication.

Diginatives | Python & Django Intern

May 2026 – Jul 2026 | Lahore, Pakistan

- Developed web application features using **Python** and **Django**.
- Worked with **n8n** to automate workflows and improve development efficiency.
- Collaborated using **Git** and **GitHub**, following clean coding and debugging practices.

PROJECTS

RideX – Ride Hailing System

- Built an Uber-like ride management system using **C++**, applying **Object-Oriented Programming (OOP)** concepts.
- Implemented modular architecture and real-world ride booking workflows.
- Github link: <https://github.com/AqsaSohaib-se/RideX-Uber-like-ride-hailing-system>

Athena – Library Management System

- Developed a complete library management system using **Data Structures & Algorithms (DSA)**.
- Implemented book management, issue/return operations, searching, and user management.
- Github link: <https://github.com/AqsaSohaib-se/Athena-Library-Management-system>

Expense Tracker

- Built an interactive **Expense Tracker** using **Python** and **Streamlit** for expense management and reporting.
- Github link: <https://github.com/AqsaSohaib-se/Expense-Calculator>

Portfolio

- Designed and developed a responsive **Developer Portfolio** using **HTML, CSS, and JavaScript** to showcase projects and technical skills.
- Github link: <https://github.com/AqsaSohaib-se/Portfolio>
- Live link: <https://aqsasohaib-portfolio.netlify.app>

EDUCATION

The University of Lahore

Bachelor of Science in Software Engineering (*Ongoing*) | Lahore, Pakistan

- Relevant Coursework: Object-Oriented Programming, Data Structures & Algorithms, Database Systems, Software Engineering, Web Development

Intermediate (BISE Faisalabad)

Grade: **B**

Matriculation (BISE Faisalabad)

Grade: **A**

SKILLS

Languages: Python, C++, JavaScript, HTML5, CSS3, SQL

Frameworks & Technologies: Django, Streamlit, OOP, Data Structures & Algorithms, REST APIs

Tools: Git, GitHub, Docker, Postman, MySQL, n8n, VS Code
